

English

Key texts: Hansel and Gretel and Tidy

In English we will be writing our own Traditional Tale based on Hansel and Gretel, we will be using connectives to extend our sentences. Then write an explanation text on the importance of keeping our school tidy.

History

This half term we are learning about Florence Nightingale and Mary Seacole. We will learn why they are remembered today alongside comparing old to new hospitals. We will be putting objects in chronological order and we will put events on a timeline.

Design and Technology

In DT we will be learning how to make a stable structure by designing and making our own windmill! We will use tools and materials to create our structures and then we will evaluate our creations.

RE

In Religious Education we will be learning about Islam. We will be exploring what special objects Muslims use and how the Qur'an is used.

Year 1 Curriculum Map Summer 1 2024

Value Diversity

Music

In our music lessons we will be finding the tempo, exploring rhythm and understanding dynamics with a range of instruments.

Science

In our topic this half term we are learning all about planting and growing. Our investigation question is 'Does the biggest seed grow the tallest plant?' using sunflower and broad beans. We will then care for our plants. We will be learning about different plants and trees and learn about their features.

Maths

To begin, our focus will be multiplication and division we be learning how to count in 2s, 5s and 10s. We will be recognising equal groups and making arrays. We will also be learning about finding halves and quarters in fractions. At the end of the half term, we will be describing turns and movements.

PE

In PE this half term, we will be learning new skills for sports day such as standing long jump, bean bag throwing, running techniques for races and target throwing. We will be learning how to run an obstacle course whilst staying safe.

PSHE

This half term our focus is 'relationships'. In these lessons we will be learning about different types of families, friendship groups and celebrating important people in our lives.

Computing

In computing we will be using direction keys to go left and right. We will learn how to create an algorithm and debug an algorithm. We will continue to explore ways to stay safe online.
