

## English

*Key texts:* Percy the Park Keeper and Rumble in the Jungle

Through Talk for Writing, the children will be writing their own journey story and discussion piece. The children will be using verbs and adjectives to enhance their writing.

## Geography

In Geography year one will be developing their knowledge about continents and weather. They will be learning new vocabulary linked to the farm and seaside and creating their own scenery using new knowledge.

## Art

In art and design the children will be exploring 3D shape and they will be planning and making their own sculpture.

## RE

The children will be recapping what they have learnt this year about Judaism, Islam and Christianity. They will identify the similarities and differences between the religions and explore the sacred texts including how to use them and protect them.

# Year 1 Curriculum Map Summer 2 2024

## Value Resilience

### Key dates:

Reading Cafe- Every Thursday 8.45- 9:00am

Sports Day- Wed 3rd July

### Reminders

**Please ensure your child wears the correct PE kit on PE days.**

**Homework :** Given out on Friday, please return by Wednesday. Please read everyday with your child.

## Music

In music lessons year one will be finding the tempo, exploring rhythm and understanding dynamics with a range of instruments.

## Science

The children will be learning to classify animals into carnivores, herbivores and omnivores. They will explore the diets for these animals and look at the types of teeth that these animals have.

## Maths

In maths, the children will continue to develop their arithmetic skills and they will learn about number and the place value of numbers up to 100.

They will also learn about time and money and use this knowledge to solve problems.

## PE

In PE this half term, the children will be developing their coordination skills by sending and receiving and reaction and response, by playing a variety of games. Year one will also be playing invasion games to apply the skills learnt this year.

## PSHE

The children will be introduced to the life cycles of animals and humans. They will explore the different changes they will go through in life from birth to adulthood.

## Computing

The children will investigate digital writing by exploring their way around a keyboard and create their own digital storybook. Year one will continue to learn how to stay safe online.
