

English

Key texts: Anna Hibiscus' Song, My Nigeria

This term, we will write diary entries and practise role play and performance. We will also be writing a non-fiction leaflet about Nigeria. The children will enhance their research skills as well as understand the differences between facts and opinions.

Geography

We will be comparing Luton to Lagos and using simple compass directions and using positional language to describe features on maps. The children will begin to understand the difference between human and physical features.

DT

Using the tale of Goldilocks and the Three Bears as inspiration, the children will help poor Baby Bear by making him a brand new chair. When designing the chair they will consider his needs and what he likes and explore ways of building it so that it is a strong and stable structure that will not break again!

RE

We will be learning about Diwali , Hanukkah and Christmas and why these celebrations are important

Year 2 Curriculum Maps Autumn 2

Values

Gratitude Appreciation

Reminders

Please make sure that you read with your child every day and write a short not in their Reading Log.

Music

In Music we will continue to learn about rhythm, tempo and dynamics. We will learn new songs and explore our voice as an instrument.

Science

Our scientific focus this half term is materials. T They will identify and compare the suitability of a variety of everyday materials including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses.

Maths

In Maths, the children will begin to understand subtraction by subtracting 1 digit numbers from 2 digit numbers before moving on to subtracting two 2 digit numbers. They will continue their addition skills by moving on to adding two 2 digit numbers. We will then move on to money where we will work on recognising coins, counting coins, making amounts, finding differences of amounts, work out the change and solve two step problems.

PE

During PE this half term, the children will be learning how to help, praise and encourage others during physical activity. They will also be applying physical skills including balance, jumping and landing in gymnastics.

PSHE

The children will explore how we are all different and celebrate each of us and our differences. The children will learn the importance of acceptance.

Computing

The children will be creating media using digital photography. They will also understand the importance of asking for permission to do something online.
