

English

Key texts: Stone Age Boy & The Stolen Spear

This half term, we will be looking at the focus text 'Stone Age Boy' and using this as a stimulus to write a recount in the role of the main character. We will also explore 'Defeating The Monster' stories and write our own versions.

History

We will be learning about life in the Stone Age and describe the changes that happened in Britain resulting from metal discovery. We will also compare and contrast historical eras (Stone & Bronze Age).

Art/DT

We will be learning to use charcoal to recreate the style of cave artists and demonstrate a good understanding of colour mixing with natural pigments.

RE

We will be looking at places of worship for different religions. We will also compare and contrast how worship is conducted in different religions.

Year 3 Curriculum Maps Autumn 1 Term 1

Values : Responsibility
Honesty Hope

Reminders : *Please make sure your child is reading daily and completing all their homework. Homework is sent home on Wednesday and must be returned by the following Monday.*

Music

We will be using different tones and recognise the pitch when singing and playing a musical instrument.

Science

We will be grouping rocks and identifying their features. We will devise comparative tests for rocks and investigate the process of fossil formation.

French

We will be learning simple greetings and numbers up to 20.

Maths

We will follow the White Rose Maths scheme and begin to learn about reading, writing and partitioning numbers to 100 and 1000.

It will be useful for children to practise their times tables on TT Rockstars, Purple Mash and Mathletics.

PE

We will be developing our coordination and static balancing skills. We will also practise our throwing and catching skills for netball.

P.E. Lesson Days

Chestnuts - Monday & Tuesday

Acorns - Monday & Wednesday

Pinecones - Monday & Thursday

PSHE

Children will look at what a 'challenge' is and learn why rules are needed and how these relate to choices and consequences. We will understand that others may hold different views.

Computing

Year 3 will be looking at how digital devices work and what parts make up the devices and how these devices help us in our daily lives.
