

English -

Our class novel for this half term is 'A Mummy Ate My Homework'. Using our history topic as inspiration, we will write an information text on Ancient Egypt. We will be focusing on the accurate use of subheadings and how to open sentences using subordinate clauses. Children must continue to practise their handwriting and spellings.

History-Ancient Egypt

This half term, we will learn when Ancient Egyptians lived, investigate early settlements and their location and make links with cities today.

We will also learn the importance of the River Nile to the Ancient Egyptians.

Art/DT

This half term, we will explore Ancient Egyptian art and learn about how and why it was created. We will also design and create Ancient Egyptian-inspired scrolls.

RE

We will explore the concept of charity within different religions and learn the importance of helping others. Then we will examine the different ways religions support their local communities.

Year 3 Curriculum Maps Summer Term 1

Values

Diversity

Link Values: Peace, Tolerance & Respect

Key dates: Ancient Egypt VR Experience 24th April 2025

Reminders : Please make sure your child is reading daily and completing all their homework.

Science- Plants

We will learn about the different parts of a flowering plant and explain their jobs. We will undertake investigations to find out what plants need to grow well and how water is transported in plants.

French- In French, we will learn possessive pronouns for family members and positional language.

Music

We will be learning how to play the recorder and performing at the end of term. Please look out for your invitation!

Maths - Following the White Rose Maths scheme, we will focus on learning how to add and subtract fractions. It will be useful for children to practise their times tables on TT Rockstars, Purple Mash and My Maths.

$$\frac{1}{6} + \frac{2}{6} = \frac{3}{6}$$

PE- Throughout the term, we will develop athletic skills such as long jumps, throws, and relay races in preparation for Sports Day.

P.E. Lesson Days

Chestnuts - Monday & Tuesday

Acorns - Monday & Wednesday

Pinecones - Monday & Thursday

PSHE-Relationships

This half term, we will learn that different family members carry out different roles or have different responsibilities within the family. We will also explore gender stereotypes and why they can be limiting.

Computing - We will learn to sort objects using just 'yes' or 'no' questions and use this skill to complete a branching database. We will also create a branching database of our choice.
