

English

Text: The strange case of Origami Yoda by Tom Angleberger.

During English lessons this half term, we will initially spend a week looking at poetry. We will then look at explanation texts before we write our own explanation texts.

Geography

This half term, we will learn about Greece. We will build upon our previous learning of Ancient Greece by looking at the geography of Modern Greece. We will use maps and atlases to learn about where Greece is as well as the cities within it. We will learn about the climate and economics of Modern Greece.

Computing

Year 4 will be learning about repetitive programming as well as the importance of our online reputation.

RE

We will learn about Christianity, focusing on: 'What was the impact of Pentecost?'

Year 4 Curriculum Map Term Spring 2

Values

Positivity, Happiness, Love and Cooperation

Key dates

Trips/visitors/assemblies-

Healthy Living Week

Whipsnade Trip - Friday 22nd March

Reminders

Beech Class have swimming lessons every Tuesday - please remember your swimming kits.

Music

This half term, we will be consolidating our learning on recorders.

Science

This half term we will learn all about states of matter.

French

In French, we will learn how to talk about different foods and use words associated with going shopping.

Maths

Following the White Rose Maths scheme, we will learn about decimals. We will also be working hard on our arithmetic skills with particular focus on our times tables ahead of the multiplication checks later in the year.

PE

Beech Class will be swimming on Tuesday afternoons this half term. We will learn about agility, focusing on reaction and response in our floor work.

PSHE

Our topic this half term is 'Healthy Me'. We will focus on friendships as well as how to keep ourselves healthy.

Art/DT

In DT we will learn all about how torches work and how they are built. We will finish by creating our own torches.
