

English: How to Train a Dragon by Cressida Cowell

During this half term, we will use our class novel and our work in history to inspire us to write some historical fiction based around finding an object. We will be focussing on writing exciting story openers and endings. **Your child will have spellings sent home every week; please continue to support their learning by practising these.**

History: The Vikings

Linked to our learning about the Anglo Saxons, we will be finding out more about the Viking invasion of Britain. We will identify how the Vikings traded and invaded as well as their impact on Britain. The children will be completing a creative project as part of their homework based on the Vikings.

Art: Sculpture

The children will be investigating and evaluating a range of 3D art installations. The children will have the opportunity to use everyday objects to design and create their own art installations.

Music: Ukulele Pupils will be applying their picking, strumming and tremolo skills to play a range of tunes; they will continue to learn how to write their own songs some of which will be performed at our end of term concert.

Year 5 Curriculum Maps Summer 1 2025

Values Diversity

Link Values: Peace, Tolerance & Respect

Key dates: Viking VR Experience 22nd April 2025

Reminders : **Please make sure your child is reading daily and completing all their homework.**

French: Holidays

Pupils will learn to talk and write about where they are going on holiday and what they will do whilst there.

Computing: Databases

The children will find out what databases are and how they can be searched. Using Purple Mash's 2Investigate program, they will be creating their own databases which they will test and evaluate.

**purple
mash**

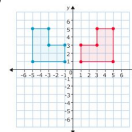

Science: Life Cycles and Habitats

Children will be learning about and comparing the life cycles of plants, amphibians, insects, birds and mammals. They will have the opportunity to observe the habitats of animals and plants near to our school.

Maths: White Rose Maths

We will be using the White Rose Maths program me to cover the topics of:

- Shape
- Position and direction
- Decimals

Please work with your child to ensure they know their times tables up to 12x12 and their corresponding division facts. www.timestables.co.uk is an excellent resource for helping with knowledge and recall.

PE: Athletics

The children will take part in sessions to develop and apply their jumping, landing and one leg balance skill as well as practising a range of athletics activities in preparation for sports day. **PE Lesson Days: Cedar - Monday and Wednesday. Ivy - Monday and Friday.**

PSHE: Relationships

Pupils will be working on building their self-esteem and how to stay safe online by thinking about their rights and responsibilities as digital citizens. This will include considering the dangers of online gambling, grooming and excessive screen time.

RE: Society - Pupils will explore how religions serve and provide benefits to society. They will also consider what difference it makes if you follow no religion.
