

## English

*Key text: High Rise Mystery*

This term, we are going to be writing an effective warning story to include description of emotions. We will also be writing a newspaper report based on events in our class novel. In reading lessons, we will focus on our inference, summarising and predicting skills when looking at texts on a range of topics.

## History:

We are learning about significant developments and events during the Ancient Maya civilization in Central America; we will contrast this to the Ancient Roman, Egyptian and Greek civilizations.

## Art/DT

We are learning about painting and mixed media by developing drawings and portraits.

## Science

We are learning about our solar system. We will investigate the planets as well as how day and night as well as seasons are caused by the Earth's movements. We will learn about the phases of the moon.

# Year 5 Curriculum Maps Autumn 1

## Values Responsibility

Caring  
Honesty  
Courage

**Reminders: Reading daily for at least 20 minutes and reading record to be signed daily. Homework must also be completed weekly and spellings learned.**

## Music

We are using our knowledge of pitch and tone to learn how to play the violin.

**RE:** We are learning about Christianity and how Christians perceive God as a holy being.

**French** We are learning about - Salut Gustave - introductions. This will help us to meet new people and share information about ourselves.

## Maths: White Rose Maths

We are focusing on place value and number this term. These foundational skills are vital for understanding of more complex mathematical problem solving and reasoning. Pupils will learn to manipulate numbers up to 1,000,000, using powers of 10 and rounding. They will work on multi step word problems, and adding and subtracting more complex numbers.

## PE

We are developing cognitive game skills and will practice these when playing dodgeball.

## PE Lesson Days:

**Ivy: Monday and Wednesday**

**Cedar: Monday and Friday**

## PSHE

We follow the Jigsaw scheme. This term the theme is "Being me in my world - new beginnings and personal goals." We will be setting goals for the year ahead.

## Computing

We are learning how computing systems work with a focus on how to make successful and focused searches on the internet.
