## NEWSLETTER : Tuesday 22nd July/ Summer Term: Issue: 5

### Head Teacher's Corner

Dear Families,

We have come to the end of another school year, and we are really pleased with all the successes this year. We have so much to celebrate, from our positive Ofsted inspection in January to the many events and achievements that have taken place throughout the year.

We are especially proud to share the fantastic Year 6 SATs results- the best the school has seen in many years. Our children performed above the national standard in all subjects at the expected standard, and achieved particularly high results in Reading, Maths and SPaG at the greater depth standard. The provisional results are now available on our school website. A huge well done and congratulations to all our Year 6 children for their hard work and resilience, and a big thank you to our staff for their tireless efforts in supporting the children to reach these excellent outcomes. The final few weeks of term have been filled with many events and celebrations. It was wonderful to see so many families join us for sports days, special assemblies and our summer fair. We raised a total of £1866.84 at the fair and this money will be spent directly on children.

Last week, we had a Creative Week which was themed around the Women's Euro 2025. The children learned about different countries and shared their work in a parade and picnic at the end of the week. Year 5 and 6 also had the opportunity to attend a first ever careers fair, where they were inspired by professionals from a wide range of industries including a special visit from MP Rachel Hopkins.

This term we say farewell to Mr Prior (Ladybirds Teacher), Mrs Latif (Teaching Assistant), Miss Khan (Teaching Assistant), Miss Begum (Ash Teacher), Ms Noor (Kestrels Teacher) and Miss Bashir (Kites Teacher). We are grateful to their commitment to our school and wish them well for the future. We would especially like to thank Miss Bashir for her 11 years of service to Foxdell and Ms Noor for her 16 years. Both began their teaching careers here and have played a key role in the school's journey of improvement over the years.

We also say farewell to Mrs Rhodes (Business Manager), who is retiring after over 25 years of service in many roles across the school. Most recently, as our Business Manager, she has worked to ensure the school runs smoothly. Her support in our ECO Schools work and development of outdoor spaces has made a lasting impact. We will really miss her and wish her every happiness in her retirement.

To all the Year 6 children and others that will be leaving us, we would like to wish them all the best for the future. They have grown into confident, capable young people and we wish them every success in their next chapter.

I would like to take this opportunity to thank all our staff, children and governors for their hard work and commitment to our school.

The new term starts on **Tuesday 2nd September 2025**, and we look forward to welcoming all our children and families back for another great year.

We wish you all a restful, safe, and happy summer break.

Best wishes,  
 Mrs R Nisar  
 Headteacher

### Junior site – School Lunch Price Increase

We want to let you know that from September, the cost of school lunches for pupils on our Junior site will increase by 10p per day, bringing the new price to £2.45 per day (£12.25 per week). This change is due to significant rises in food and staffing costs from our catering provider, Aspens. Please note that all Infant pupils will continue to receive a free school meal, in line with government policy. We understand this may be difficult news, especially during a time when many families are facing financial pressure. Please be assured that the school remains committed to keeping costs to a minimum and continues to subsidise the cost of meals to support our families as much as possible. If you're concerned about how this change may affect your household, we encourage you to speak with one of our Family Workers. They may be able to offer advice or assistance with managing costs.

# ATTENDANCE MATTERS

The new attendance guidelines came into place from 19th August 2024. More information and FAQs about attendance can be found on our school website: <https://www.foxdellprimary.uk/attendance-1/>

Government guidance can be found here:

<https://educationhub.blog.gov.uk/2024/08/19/fines-for-parents-for-taking-children-out-of-school-what-you-need-to-know/>

We are open for 190 days in a school year which equates to 380 sessions including the morning and afternoon registration.

**Our whole school attendance target is 96%**

The class with the best attendance each week wins the attendance trophy and receives a best attendance certificate. Children in Reception receive a lucky dip prize if they have 100% attendance for the week. Attendance for the last two weeks:

Class	Attendance WB 07.07.25	Attendance WB 14.07.25	Class	Attendance WB 07.07.25	Attendance WB 14.07.25	Class	Attendance WB 07.07.25	Attendance WB 14.07.25

## INTRODUCING RIGHTS RESPECTING SCHOOLS COMING AUTUMN TERM 2025

From September, we are excited to begin our journey towards becoming a Rights Respecting School, a framework developed by UNICEF UK that puts children's rights at the heart of school life. This initiative will complement and strengthen the work we already do as a values based and Therapeutic Thinking school.

A Rights Respecting School is one where children learn about their rights, how to respect the rights of others, and how to take responsibility within a supportive and inclusive community. It promotes a culture of respect, equality, and well-being for all.

# Around our School

## Sports Days

Week Commencing 07.07.2025

What an incredible week of energy, excitement, and teamwork at Foxdell Primary School! Our Sports Day events were held across the week, with Reception kicking things off on Monday 7th July, Key Stage 1 and Lower Key Stage 2 (Years 3 and 4) taking part on Tuesday 8th July, and Upper Key Stage 2 (Years 5 and 6) rounding off the week on Wednesday 9th July.

Children from Reception to Year 6 took part in a variety of fun and active stations, including the long standing jump, combination jump, target throw, distance throw, agility run, and obstacle run.

It was fantastic to see so many parents joining us to support and celebrate the children's efforts. The enthusiasm, teamwork, and sportsmanship on display made it a truly memorable week for the entire Foxdell community.

Well done to all our pupils for giving it their all and making Sports Day 2025 such a success!

### House Point Scoring

1st place: Spectacular sapphires- 2,002

2nd place: Radiant rubies- 1,978

3rd place: Dynamic diamonds- 1,878

4th place: Exemplary emeralds- 1,866

**Well done to Spectacular Sapphire for coming first**

# Around our School

## Creative Week

We had a fantastic time participating in our Creative Week last week. Our theme incorporated the UEFA Women's Euro taking place this summer. Throughout the week, each class focussed on a different country taking part in the Women's Euros. We learnt about the history, culture, language of our focus country. We also had the opportunity to explore food from the country we learnt about. In addition, worked with with Luton Town FC and we had tough football competitions across classes.

Mrs Ajayi kept us all in time and dancing throughout the parade!

To bring our celebrations to a close, we finished with a closing ceremony on Friday. Children revelled in the celebrations at the Junior Site and cheered on each other during our whole-school parade, enjoyed sports activities and showed their support for Cedar and Eagles during our Foxdell football final. **Congratulations to Cedar who won on penalties! Well done to all the Foxdell community for giving it their all this week!**

# Around our School

## Careers' Fair

This year we held our first Careers' Fair for our Year 5 and 6 children! The aim of the event was to inspire our children to be ambitious and strive for success by introducing them to people from a range of careers and fields. Our hope is that the children can be inspired and learn about the variety of paths into the job of their dreams.

The visitors were all blown away by the the manners and thoughtful questions from our pupils. On leaving, many said they would be happy to come back next year too!

We even had a visit from Rachel Hopkins, a local MP.

Children said it was the best day of their lives! They asked the visitors to sign their notebooks for an autograph collection.

# Around our School

## Year R

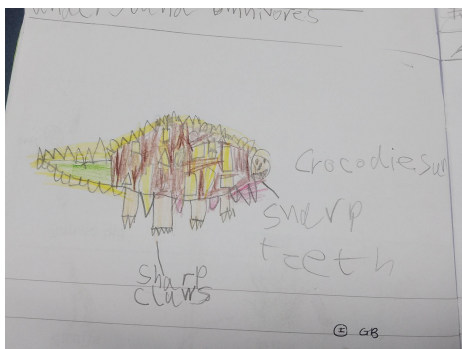

This half term, Reception have transformed themselves into superheroes whilst focusing on our key text 'Supertato'. They wrote postcards from the Evil Pea, explaining what adventures he had been on!

As part of our Understanding the World learning, the children thought about why our world is special. They went on a nature walk to our Sensory Garden and looked at the parts of our surroundings that makes our world a special place to live.

## Year 1

This half term in Science, the children have been developing their understanding about animals. They have learnt about the groups and features of carnivores, herbivores and omnivores. The children have been looking at animals and putting them into the correct categories. They have also designed their own omnivore.

## Year 2

This was a very exciting term! We have made moving monsters in D.T., used computers to create pictograms and block graphs in computing and we have learnt about amphibians, fishes, reptiles and mammals in science.

We also had a great time during creative week! We made flags, cooked some popular dishes and learnt about Germany, Sweden and England across the year group.

# Around our School

## Year 6

This is our amazing Year 6's final newsletter while at primary school!

We are so proud of them and their time at Foxdell. We wish them all the best for their futures which we know will be bright!

Hopefully, many of you were able to attend the leavers' production and could join them in reminiscing about some of their core memories from their time at Foxdell. Just in case you weren't able to join us, here is a snippet of what you missed on our trip down memory lane...

### Our Foxdell Way

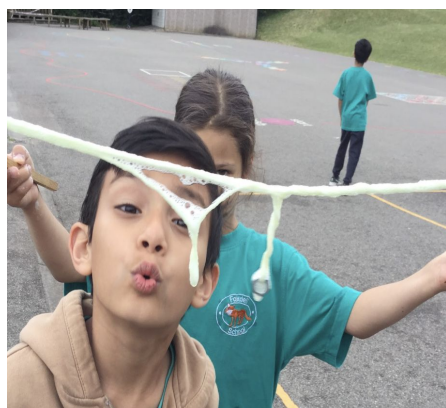

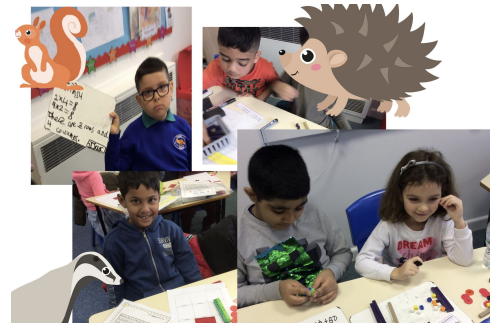

Year 6 Leavers' Production  
2024-2025

Soon I'll be in year 7  
When I think that I am old  
And I have so many subjects  
set  
Before me  
Soon I'll be in year 7

Once I was in primary  
My family told me,  
Go make yourself some  
friends and  
Keeps on growing

Once I was in primary

# ONLINE SAFETY CORNER

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit [nationalcollege.com](https://nationalcollege.com).

## What Parents & Educators Need to Know about AI-ENABLED SCAMS

### WHAT ARE THE RISKS?

Artificial intelligence (AI) is quickly becoming a widely used tool, with lots of positive applications being discussed and developed. Sadly, however, as with most technology tools, there are those who will seek to use it for malicious and dishonest practices, with children and other vulnerable groups particularly at risk.

### PHISHING EMAILS: BETTER & QUICKER

Phishing scams – emails designed to trick people into handing over login details or money – are not new, and do not rely on AI; however, AI has made them far more dangerous. Criminals can now generate highly convincing emails at speed, mimicking an organisation's tone, branding and language with ease. This makes phishing attempts harder to spot, especially for young people who may not yet know what to look out for.

### ONLINE MARKETPLACE FRAUD

Online marketplaces are now a common way to buy and sell everything, from second-hand clothes to cars. Criminals are exploiting this by using AI to enhance or completely fake product photos and videos, and pressure buyers into paying deposits or full amounts upfront. These tactics are becoming more advanced, making it vital to pause, check, and verify the sale before parting with any money.

### VOICE IMPERSONATION

AI can now realistically impersonate a person's voice when given a small sample of someone's speech patterns. This is especially concerning where voice has been enabled as an alternative to password-based logins. One such example was the use of AI deepfake audio as part of a fake kidnapping scam: the criminals used an AI voice clone of a 15-year-old to convince her parents she had been kidnapped and elicit a ransom.

### EMPLOYMENT SCAMS

Using AI, criminals can create fake online profiles that seem completely real. These synthetic identities can chat with young people about fake job offers, asking for money to secure a visa or paperwork. In 2025, The Guardian reported a scam targeting young people with promises of quick cash, posing as TikTok staff.

### INFLUENCER & INVESTMENT SCAMS

AI tools now make it easy to manipulate video and audio, with technology available that can generate entirely fake content using the likeness of celebrities or influencers. Criminals are using this to create convincing videos of well-known figures promoting fake products or services, which young people can be particularly susceptible to. Cryptocurrency scams are a common tactic, luring people into investing in schemes that do not exist. Once payment is made, the criminal simply disappears with the money.

### ROMANCE SCAMS & SEXTORTION

AI chat bots can now mimic real conversations, often accompanied with realistic fake photos and videos, which makes it easier for criminals to build trust with young people – among other things, this can lead to fraud or sextortion. In 2024, the NCA's CEOP Safety Centre received 380 reports of sextortion. Alarmingly, in the first five months alone, police received an average of 117 monthly reports involving under-18s, showing how serious and targeted this threat has become.

## Advice for Parents & Educators

### THINK CRITICALLY

The key to addressing the increasing growth of AI-enabled scams is to think critically and show caution. Inform children that if something is too good to be true, then it probably is. Encourage them to stop and carefully consider what they are seeing and reading before taking any action. For example, if a social media post expresses urgency, proceed with caution; if content seems unusual, even from a known person, it may be that their account has been hacked.

### USE TRUSTWORTHY SITES AND SERVICES

Online marketplaces are useful when buying and selling items; however, where possible, encourage children to use reputable companies and their online shopping sites. These companies are likely to have more sophisticated cyber-security safeguards in place, underpinned by consumer legislation, enabling them to control how products and services are displayed and traded on their sites.

### SEEK TO VERIFY

Criminals may breach an influencer's account or spread misinformation and fake content; however, their approach will generally be limited to a single account, site or service. Where possible, show children how to verify information to check its legitimacy before proceeding. Small actions, such as phoning the person who is the subject of a suspicious email, or checking content via an individual or company website or social media sites can make the difference. The greater the risk, the more effort we should expend to confirm whether the information presented is true or false.

### REPORT IT

As the sophistication of scams increases, the likelihood of being tricked by them also increases, especially when not paying attention or acting quickly. It is important that young people know how to report incidents as they happen. Show children how to report their concerns to the social media site, Action Fraud, banks, and other individuals or organisations linked or involved. If you are unsure of the most effective reporting channel, contact Action Fraud.

### Meet Our Expert

Gary Henderson is the Director of IT at Millfield, a large independent boarding school in Somerset, as well as a member of the Digital Futures Group, Vice Chair of the ISC Digital Advisory Group and an Association of Network Managers in Education (ANME) Ambassador.

# 10 Top Tips for Parents and Educators

## STAYING SAFE AROUND WATER

Enjoying time in, on, and around water plays a vital role in a young person's overall development, offering a healthy and exhilarating way to have fun. This guide outlines essential safety advice, based on the Royal Life Saving Society UK's Water Safety Code, to help ensure children can enjoy swimming and similar activities safely and responsibly.

### 1 STICK TO LIFEGUARDED AREAS

It's never advisable to enter unsupervised bodies of water, especially alone. Instead, it's considered best practice to accompany children to places with lifeguards, as they will be trained to respond swiftly in emergencies and provide first aid when needed.

### 2 LEARN SIGNS AND FLAGS

When going to a new environment, it's important to research the local area and make children aware of safety signage before entering the water. If visiting the seaside, make sure children are always supervised by an adult and that they know what different beach flags mean, so they're knowledgeable of where and when they can enter the sea.

### 3 STOP AND THINK

Young people should be cautious before entering water, as it's difficult to know what hazards could be underneath. Use the Water Safety Code and encourage children to ask themselves questions such as, "Is the water too deep or too shallow? Are there currents, tides, or underwater objects?" Make sure children know never to enter water from a height, as what lurks below could cause serious injuries.

### 4 CONSIDER WATER TEMPERATURE

Even on hot days, water can be deceptively cold. Tragedies strike when young people experience cold water shock. Never let children enter water quickly; instead, ensure that they enter slowly and carefully to allow their bodies to adjust to the temperature or exit easily if needed.

### 5 INFLATABLE SAFETY

Although inflatables may seem like a fun idea when visiting locations like the beach, they can float further out from shore and into more dangerous water. It's advisable only to use inflatables in spaces like appropriately managed swimming pools, where they're used in more controlled and supervised environments.

### 6 SUPERVISION IS KEY

For young children, and particularly those under the age of five, it's important for them to be supervised at home, outside and at the pool at all times. It's essential for parents and educators to understand that young children can drown quickly and silently; therefore, anyone supervising them must maintain constant watch in case they get into difficulty.

### 7 DON'T GO TOO FAR

When swimming, especially in open water, it's best to teach children to stay within a safe depth. Share advice with them such as only entering water up to a standing depth, and in the case of visiting the beach, swim parallel to shorelines. This will allow a child to stay in control and get out of the water easily.

### 8 KEEP POOLS AND TUBS DRAINED

For parents of young children, a simple way to protect them at home is to keep outdoor spaces and bathrooms tidy after playtime. This includes removing water from paddling pools after use and turning them over, returning lids to hot tubs and taking toys out of baths, so all water can be fully drained from the tub.

### 9 FLOAT AND CALL 999

If a child gets into difficulty in the water, they should try to float on their back, stay calm, and call for help. If a young person sees someone else in trouble, they should dial 999 or 112 immediately, then shout to reassure their friend, encouraging them to float on their back, and letting them know that help is on the way. Children should never enter the water to attempt a rescue or retrieve belongings.

### 10 TEACH WATER SAFETY

Beyond swimming lessons, children should be educated in school on water safety. Use RLSS UK's accredited programme, 'Water Smart Schools', which offers free lesson plans and resources on how to be safe on, near and around water by following the Water Safety Code.

## Meet Our Expert

The Royal Life Saving Society UK (RLSS UK) is a national water safety charity that gives children the chance to enjoy a lifetime of fun in the water, safely. Water safety education provided in schools is vital and, in some instances, could be a child's only opportunity to learn about the water.

The National College®

# School Uniform

## Helping you to be ready for September...

At Foxdell, this is the correct uniform

Blue foxdell jumper or cardigan

Grey school dress, skirt or trousers

Tie  
Year 3 -6

White collared polo top - Reception to Year 2  
White shirt - Year 3 - Year 6

Black school shoes, grey tights

At Foxdell, this is the correct PE kit

Blue foxdell jumper or cardigan

Royal blue shorts or black jogging bottoms/leggings

White round necked t-shirt

Black/white trainers, white socks

### Optional

We acknowledge that some families may want their child to wear a headscarf in school, if this is the case, the headscarf must be tightly fitted, shoulder length and royal blue or black. We have a small stock of headscarves for sale from the school office.

### Level Trust Uniform Exchange

If you are finding it difficult to afford a new uniform, Level Trust Uniform Exchange offers free, second-hand school uniforms for local families. Families are also welcome to donate any clean, used uniform items their children no longer need - it's a great way to support others in our community.

To find out more, or to access the Uniform Exchange, please click the link below:

<https://www.leveltrust.org/how-we-help/school-uniform/>

### Save on Uniform!

# Around the School/ Community

On Friday we were visited by two Judges from the Luton in Bloom competition who came to look at the Junior site Allotment area.

They were very impressed with all the hard work that Mr Rhodes and the Eco Warriors have put in to create a beautiful growing area to be used by the whole school.

Results of the competition will be announced at the Luton Farmers Market in St Georges Square on Saturday 30th August.

## ABOUT US

Hello! We are the Hygiene Bank project covering St Albans, Harpenden and Luton. Since 2019 we have been tackling hygiene poverty by giving local people living in poverty access to hygiene basics; the everyday toiletries many of us take for granted. Through the power of volunteers and the generosity of the public we have distributed over 111 tonnes of toiletries.

## WHAT IS HYGIENE POVERTY?

Imagine not having access to your own toothbrush, having no period products or shampoo. Hygiene poverty is having to choose between heating your home, paying the rent, eating or being clean and being clean is so incredibly essential to both mental and physical wellbeing, getting and retaining a job, not being bullied, participating fully in school and all that life has to offer.

## HOW WE WORK

**STEP 1**  
Toiletries are donated by the public at our local drop off points.

**STEP 2**  
Volunteers collect and sort the toiletries

**STEP 3**  
The toiletries are distributed via to local charities and schools to local individuals and families living in hygiene poverty.

## WHAT TO DONATE

- Soap & Shower gel
- Deodorant
- Shampoo
- Toothpaste & Toothbrushes
- Period Products
- Laundry and household cleaning

IF YOU USE IT, WE CAN USE IT

NEW AND UNUSED PRODUCTS ONLY PLEASE !!

### SUMMER FOOTBALL CAMP

**AT: DENBIGH HIGH SCHOOL**

ALEXANDRA AVE, LUTON, LU3 1HE

**HELD ON MONDAY 18<sup>TH</sup> TO FRIDAY 22<sup>ND</sup> AUGUST 2025, 10AM – 3PM  
FOR BOYS AND GIRLS AGED 4 – 14**

**WE HAVE BEEN RUNNING OUR FOOTBALL CAMPS AND COURSES IN YOUR COMMUNITY FOR OVER 25 YEARS!**

**Exciting news!** We are running our annual Summer Camp on Monday 18<sup>th</sup> to Friday 22<sup>nd</sup> August 2025.

- The Camp is for **5 days** from 10am-3pm, free drop off from 9:15am! Lunch is 12.15pm-1pm, children must bring their own packed lunch and plenty of drinks.
- The camp is held on **grass and 3G astroturf football pitches**, therefore children may wear trainers or plastic moulded sole football boots. We also have the use of indoor facilities.
- On Friday at 2.15pm we hold a presentation, whereby **EACH CHILD WILL RECEIVE AN ENGRAVED TROPHY** as well as many opportunities to win extra trophies, including the **World Cup Tournament, penalty shoot out competition, skill point winners and player of the camp.**
- The camp is run by **FA qualified coaches**, who are DBS checked and are currently working with children in **schools daily**, enabling them to learn essential football techniques, building **CONFIDENCE**, improving **FITNESS** and providing the most important ingredient of all **'FUN'!**
- The cost of the 5 day camp is £90 per child (There is a discounted rate of £60 for additional brothers and sisters). £25 daily rate.
- With a high response expected and limited places available, bookings will be confirmed on a first come, first served basis.

***There will be consent forms to complete on arrival and payment should be made on the first morning of the camp.***

*Mark Frith (course co-ordinator)*

**TO RESERVE SUMMER CAMP PLACES**

**PLEASE TEXT:**

**LUTON SUMMER CAMP + CHILD'S FULL NAME + AGE**

and receive confirmation by text to:-

**07827 322 780**

# Community

Throughout the summer, children can join the 2025 Summer Reading Challenge 'Story Garden' where they can discover new books, participate in free activities at their local library, and explore the link between reading and the great outdoors, where nature and imagination come together.

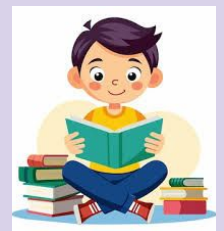

Recent research shows that children's enjoyment and engagement in reading is in decline and that reading for pleasure is the biggest indicator of a child's future success – more important than either parents' educational background or household income!

The Summer Reading Challenge supports children to get excited about reading throughout the summer, helping to maintain their reading at a time when engagement can often dip. There's also a host of FREE and fun activities taking place across libraries for the whole family to get involved in each week.

## How do I take part?

Signing up is easy! Simply visit your local Luton Library.  
Or, join online via [www.summerreadingchallenge.co.uk](http://www.summerreadingchallenge.co.uk)

## What do I have to do?

Simply read 6 books of choice before 6th September.

Each time you finish a book, visit the library. You will collect a special stickers and rewards along the way!

## Swim for only £2.50

This summer, anyone who joins the challenge, can also swim at their local Active Luton swimming pool to enjoy a Fun Time Splash session for only £2.50 per child! Ts&Cs apply.
