

English

Key texts: *Dinosaur and ALL That Rubbish*

We will be reading a book about looking after the Earth. Based on this book, we will write an explanation text explaining how we can look after the Earth to ensure that it stays clean and full of life. We will focus on using sentence openers and modal verbs such as should, could

Geography

We will be identifying the British Isles and surrounding seas on the globe and in atlases. We will also look at the characteristics of the four UK countries and learn about their capital cities.

DT - This term the children will be learning how to design, plan and make a ferris wheel. They will learn that different materials have different properties suitable for different purposes and learn to solve any problems that may occur by reassessing their designs.

RE-This term we will be investigating stories that show the characteristics of a prophet and what a prophet might mean to some people.

Year 2 Curriculum Map Spring 2 2026

Value : Positivity

Reminders: Reading Cafe -Thursday mornings 8.45-9.00

Parent Consultation-24th March 2026

P.E. Lesson Days

Badgers - Tuesday & Wednesday

Hedgehogs - Monday & Friday

Squirrels - Monday & Tuesday

Please make sure your child is reading daily and completing all their homework.

Music

In music we will continue to learn about rhythm, tempo and dynamics. We will learn new songs and explore our voice as an instrument.

Science

This half-term, we will revisit the topic of 'animals' and look at animal groups such as fish, amphibians, reptiles, birds and mammals, including humans. We will recap our learning about animals and their offspring.

Maths

In maths, the children will continue learning multiplication and division facts, focusing on learning 5 and 10 number facts. We will also start learn about length and height and using different ways of measuring.

PE

During PE lessons, the children will be learning how to practise static and dynamic balance. They will be developing ball skills such as rolling, catching and throwing, as well as counterbalance skills. They will apply these skills in a variety of competitive games.

PSHE

Our topic for this half term is 'Healthy Me', where we look at how we keep ourselves healthy. We will look at how we make healthier choices to support our bodies and improve our mental well-being.

Computing

We will carry on with coding and also continue to look at computer algorithms. We will explore how to program a robot to move and make other choices. We will discuss examples of good online behaviour.
